

You are cordially invited to attend a one day forum on "**CityU-NICT Joint Forum on Photonics for Next Generation of Information and Communications Technology**".

Date : 9<sup>th</sup> February 2006 (Thursday)

Time: 9.00am – 5.00pm

Program (tentative) :

T. Mizumoto: All optical switching devices for functional photonic networks

T.K. Liang: Two photon absorption, raman amplification and their applications

T. Kawanishi: Advanced optical modulation technique and its applications

M. Izutsu: Future Prospect for Partnership with Hong Kong in Photonics Research

H.D. Liu: Micro-optic fiber devices

E.Y.B.Pun: Polymer waveguide devices and their applications

Venue: Scope Lecture Theatre (SLT), City University of Hong Kong

Fee: HK\$100. The fee will cover the costs of lunch, tea-break refreshments, and participation in the forum.

The seminar is organized by the Department of Electronic Engineering, City University of Hong Kong, and the National Institute of Information and Communications Technology, Japan, and supported by the IEEE Lasers and Electro-optics Society Hong Kong Chapter, and Hong Kong Optoelectronics Association.

For interested parties, please complete and return the attached Registration Form\* to Miss Jenny Au Yeung on or before **6th February 2006** .
